Dear Howard:

Thank you for supporting the vision of the Women's Rural Resource Centre to end abuse of women and children.

On behalf of Women's Rural Resource Centre I would like to thank you for generous donation and support of our vision to end the abuse of women and children in Middlesex County.

Your donation provides hope for a women or a child in our community who has experienced violence, and ensures that we have the resources at the Women's Rural Resource Centre to serve them.

Thank you again for sharing our vision.

Sincerely,

Kathryn Eggert
Executive Director

*Thanks so much
