Dear Friends:

Re: Donation

Thank you for thinking of others and providing for their needs. We appreciate your donation; The Salvation Army could not do all we do without community support.

The donation received from you will help provide for those in the community. We continue to serve many people of all ages, each with their own special need; whether the need be practical, physical or spiritual. The Salvation Army Strathroy endeavors to offer this support by providing food supplies, budgeting assistance and through the listening ear.

Please find enclosed a tax receipt for your donation.

We continue to serve, "Giving Hope Today".

Thank you for sharing in the caring.

Yours sincerely,

Roxzena Hayden
