2015 VON Great Community Run, Walk 'n' Roll

Thanks a Million!

Dear Howard and friends at Progressive Countertop,

It's true – you helped us pass the **1 Million Dollar Mark!** **THANK YOU!** We are truly grateful to sponsors like **Progressive Countertop** for your support of the VON Great Community Run, Walk 'n' Roll. Even horrendous weather could not dampen the spirits of our brave champions attending our 16th Annual Event. Nearly **200 participants, volunteers and supporters** splashed their way through puddles on Sunday, June 28th into Lions Park in Mt. Brydges.

With their help and **yours** we raised **nearly \$58,000** pushing our 16 year cumulative total **over \$1 million!**

These important fundraising dollars will be used to support clients in our community who rely on VON programs and services; services like Home At Last, SMART Exercise & Falls Prevention, meal and dining programs, blood pressure clinics and more.

You were part of an integral group of over 70 sponsors and in-kind donors who helped make a soggy day fun, rewarding and uplifting. Your **\$250 Bronze Sponsorship** helped us raise much needed funding, keep expenses down and still provide our walkers with a delicious BBQ lunch, bonus prizes and fun activities for the kids.

We hope to enlist your support again for next year's 17th Annual event set for **Sunday, June 26th, 2016!** Please extend sincere thanks to everyone in your organization!

Thanks a million!
...and then some!

Julie Simpson
Fund Development Coordinator
